Forecast For West Midlands
Issued by Met Office Exeter
at 0400 on Sunday 25 Apr 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Fine and warm today. Turning cooler through next week.

Today:
A chilly start, but then turning into another warm day across the region with sunshine and a little patchy cloud for some. Remaining fine and dry throughout. Maximum temperature 16 deg C (61 deg F).

Tonight:
Chilly with largely clear skies at first before cloud then moves in from the east during the small hours. An overnight frost for some is possible, particularly in rural areas. Minimum temperature -4 deg C (25 deg F).

Monday:
Cloudier on Monday with some hazy sunshine later. Feeling slightly cooler than of late and still chilly overnight. Maximum temperature 15 deg C (59 deg F).

Outlook for Tuesday to Thursday:
Scattered showers on Tuesday, and then a further risk of showers on Wednesday and Thursday. Turning cooler throughout outlook with a continued overnight frost risk.
